

Historic Royal Bakery Building  
#3801 Hillsborough St. Suite 109, Raleigh, NC

## **NOMINATION FORM AWARDEES NOMINATION FORM**

**\*Please submit your nominations before Friday, July 13, 2018**

Winners will be awarded at the “HCAC Gala & Brilliance Awards” to take place on Friday, August 3rd, 2018 at the Historic Royal Bakery Building, located at 3801 Hillsborough St. Suite 109, Raleigh, NC

Join us at the “Gala & Brilliance Awards” to help us recognize the outstanding contributions of extraordinary Small and Minority Contractor Businesses in the State of North Carolina.

HCAC officers and Directors and the Events Committee members request your participation in the selection of the 2018 Brilliance Awards winner. These should be entities **that have proof an outstanding performance over the last years and that serve as an example within the Construction industry of the Carolinas.**

*\* Please refer to the categories description in the last page for additional details about each one.*

## **DESCRIPTION OF EACH CATEGORY**

### **Trade Contractor of the Year (Hispanic-Owned)**

Contractor who excels in being an intricate part of the success of a project by providing specialized industry services.

### **Remodeler of the Year (Hispanic-Owned)**

Contractor who stands out for providing high quality construction services to residential clients, with excellent customer service, environmental responsibility and disposition to adopt the best practices and technologies.

### **General Contractor of the Year**

Contractor whose exemplary collaborative efforts render a consistent high-quality product for the best value with on-time delivery.

### **Associate of the Year (Hispanic-Owned)**

Company or individual who has made significant contributions to HCAC members that enables growth and success of Hispanic firms.

### **Partner of the Year**

Company or individual that has gone above and beyond to provide opportunities and/or resources to the Hispanic construction industry that enables growth and success of Hispanic firms.

### **Safety Champion (Hispanic-Owned)**

Company whose safety culture and practices serve as an example to all other construction businesses for embracing the safety of their workers in the jobsite.
